

IndivisibleNOCO Voting Recommendations for Thompson School Board Directors

Thompson School Board Directors are voted on at large. Voters vote for one candidate from each director district that is open during the general election. This year, director districts B, E and F are open.

District B. Michael Scholl is running unopposed.

District E. IndivisibleNOCO recommends voting for **Alexandra Lessem**. Ms. Lessem is a progressive candidate running against a conservative who supports parental rights. Parental rights advocates often oppose LGBTQ-inclusive curricula, support book bans, and challenge educator authority over curriculum decisions.

District F. IndivisibleNOCO recommends voting for Dmitri Atrash. Mr. Atrash is a progressive candidate running against a conservative who supports parental rights and has advocated for Christian-oriented prayers in schools and at City of Loveland meetings.
